NOVEMBER. *IX Month.*

She longs to wake, and wiſhes to get free,
To launch from Earth into ETERNITY.
For while the boundleſs Theme extends our Thought,
Ten thouſand thouſand rolling Years are nought.
O endleſs Thought! divine *Eternity!*
Th'immortal Soul ſhares but a Part of thee;
For thou wert preſent when our Life began,
When the warm Duſt ſhot up in breathing Man. Ere

examination; but degenerate before it into Maſſes of Irregularity, and Deformity.

It is an amuſing Speculation to look back, and compute what Numbers of Men and Women among the Ancients, clubb'd their Endeavours to the Production of a ſingle Modern. As you reckon backwards the Number encreaſes in the ſame Proportion as the Price of the Coat which was ſold for a Half-penny a Button, continually doubled.

Thus, a preſent Nobleman (for Inſtance) is	1	
His Father and Mother were	2	
His Grandfathers and Grandmothers	4	
His Great Grandfathers and Great Grandmothers,	8	
And, ſuppoſing no Intermarriages among Relations, the next Predeceſſors will be	16
